

Background

The Paul W. Mitchell Jr. American Legion Post 114 was established in 1946 and is committed to supporting our Veterans from all branches of the Armed Forces. Post 114 is located in the historic area of the City of Manassas and has been a stalwart of the local community in serving veterans and their families since its inception as an American Legion Veterans organization in 1946. The aim of the Post's mission is to be 'World Class' in the manner that we serve and support our comrades and how we forever remember our MIAs, POWs, and fallen soldiers. Be a part of the nation's largest veterans service organization, committed to mentoring and sponsorship of our youths, advocating patriotism and honor, promoting a strong nation, and continued devotion to our fellow service members and veterans.

Becoming a Sponsor

Advertising on our American Legion Post Web Pages and Sites enable you to reach hundreds of veterans, their families and friends throughout the community.

The goodwill you receive, showing your love of country, family and community by supporting veterans' organizations may result in untold benefits, such as, expanded customer base and new business opportunities.

Interested customers who click on your business and visit your site will be connected to your web page, enabling you to communicate your products/services to your utmost advantage.

Additionally, by becoming a sponsor, your contribution will have a direct impact in supporting the Post's goals to build a new post home, followed thereafter the construction of a Veterans' Residential Facility.

Without the generous donations of our sponsors these goals would not be possible. All sponsor contributions received are tax deductible and used to fund the Renewal & Development program.
